

CDT Dress Code

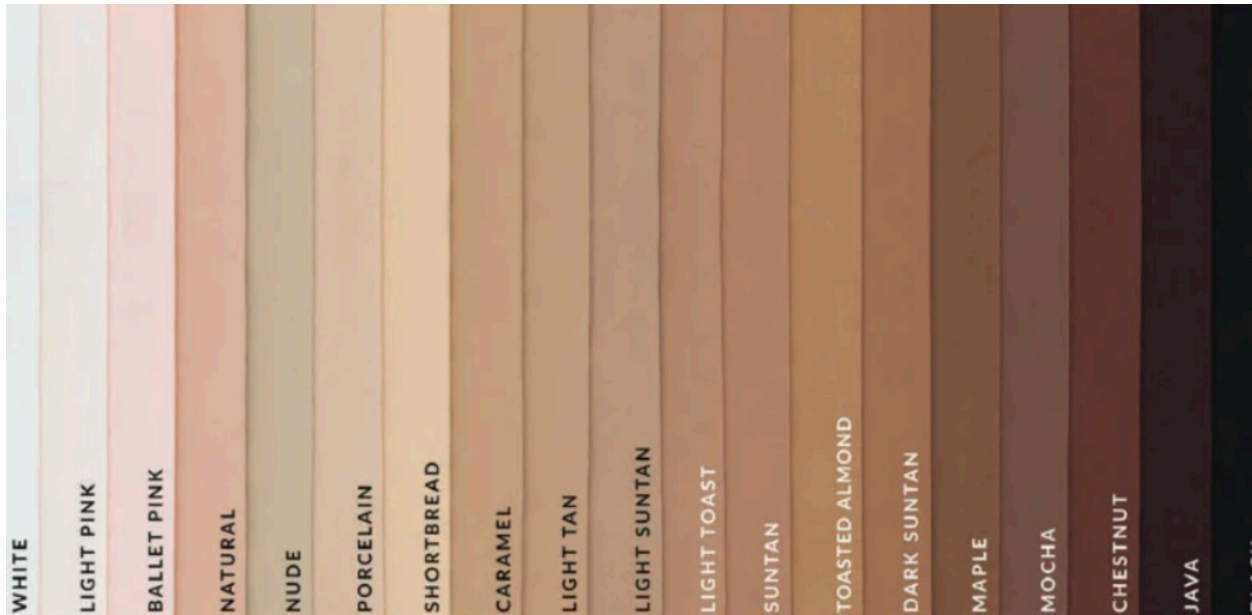

As a continuation from last season, we have transitioned into skin tone tights and ballet shoes for our upcoming year of classes and performances. We are also implementing a specific colored leotard per level. Boy's will wear their normal class attire (see below)

To help with the transition, we will be selling tights and leotards through CDT. Please note that we will not be selling skin tone shoes but suggest going to Opening or online dance stores such as Discount Dance Supply.

We will be selling skin tone tights for the following prices:

\$18.00/Child

\$20.00/Adult

If you would like to purchase directly through us, [please click here](#). After purchasing, please email me which color you would like, please refer to the image for names.

We will be selling leotards per level for the following price:

\$23/Child

Below is the leotard color your child will need per level. Leotards are soft, 4-way stretch cotton with adjustable camisole straps, pinched-front neckline, with a modest scoop back. Child sizes are fully lined in front.
